DURANCE
PROVENCE FRANCE

UNIQUE FRAGRANCES FROM PROVENCE

La Maison Durance is the story of a family passionate about perfume: It began in 1997, when the family bought a small farm producing flowers and essential lavender oil in the heart of the Drôme Provençale in Grignan. Since then, the Provence has been both a heritage and a source of inspiration for Durance in designing a universe of natural cosmetics, elegant perfumes and home fragrances.

The Durance guest collection reflects the authenticity and the elegance of the brand. The distinctive formulas contain ingredients of natural origin as well as precious extracts. Inspired by the zesty scent of lemony verbena leaves, the collection is invigorating and designed to put you in a cheerful mood. The fragrance begins with sparkling green citrus notes, complemented by hints of sweet jasmine blossom and white musk.

Luis Trenker's inspiration can be found at the crossroads of tradition and innovation. It keeps up with the changing times yet is deeply rooted in its past, its old values, giving a new impulse to its design. The brand embodies true mountain essence, hominess and loyalty without ever losing its modern touch. Luis Trenker does not do 'kitsch' or 'cliché'. Far from it. Luis Trenker is a byword for original clothing. They adapt traditional values to modern times and interpret them in a genuine fashion for people who appreciate individuality and stick to their values. An original can never be trumped by a copy. They truly believe in this tenet and abide by it.

BEAUTY CULTURE MADE IN SÜDTIROL

Not Just Bodycare is more than simple hotel cosmetics. It's been developed for the active holiday-maker who wants to take care of himself after a long and exiting day. Based on fresh mountain spring water, the South Tyrolean cosmetics manufacturer Piroche Cosmétiques developed high-quality formulations consisting of local herbs and plants like arnica, thyme, sage, lavender and lemon. These versatile ingredients provide different properties and an amazing sensorial experience to the skin. Not Just Bodycare is a little bit more: A bit more South Tyrol, a bit more style, a bit more benefit.
