SMART SYSTEM
SOLUTIONS

SMART CARE

The patented system is a unique combination of contemporary design, practical application and easy handling. With the Smart Care System, you can benefit from the latest generation of dispenser system! Customers like the famous 5* Hotel Raphael in Rome love the patented system with its slim, modern product design. But they are also impressed by the smart dispenser solution's numerous ecological benefits and cost transparency.

Discover the functional Smart Care System: as a single or double system and with brands which will meet your design and sustainability requirements without losing sight of cost effectiveness.

PRESS + WASH

Press + Wash is the classic amongst dispenser systems. Given all the considerable advantages it has to offer in terms of functionality, reliability and easy maintenance, it is the best-seller: today more than ever before. It's practical, economical and environmentally friendly. These plus points will be of lasting value in every hotel.

Press + Wash is a bestseller among the dispenser systems and is an impressive success story. This unique dispenser system is the first choice for hotels worldwide. Customers are impressed by its time-saving handling and total cost transparency. Guests appreciate its ease of use, environmentally friendly packaging and high quality.

ILLI 1

ILLI 1, sustainable scandinavian design: scandinavian design rests on the principle of prioritising functionality without neglecting aesthetics. The ILLI 1 dispenser is a prime example. Its ergonomic shape brings modern design to your bathroom while providing ease of use requiring just one hand. ILLI 1 bears the EU Ecolabel and is sustainable both in terms of its content and its packaging.

ILLI 2

ILLI 2, ergonomic shape - economic solution: ILLI 2 stands out by combining sustainability, functionality and a perfect shape. Certified with the EU Ecolabel, the beautifully shaped 525 ml bottle design reduces packaging material and conserves resources. Available in timeless anthracite and white, ILLI 2 can be used for weeks then replaced in no time creating lovely touches on the wall and reducing housekeeping time.

PUMP DISPENSER

Practical and precise: bring a touch of refinement to your bathroom with these practical pump dispensers. Whether soap or lotion, with just a press of the finger, your hotel guest will receive the right „dose“. The dispensers are refillable and non-drip, offering a long-term, simple solution. Timeless design, easy to refill. The high-quality 300 ml bottle blends into every hotel bathroom and is easy to refill thanks to its practical design.

Whether these pump dispensers come separately or in pairs, and are kept in stainless steel holders or directly on a washstand, they bring flair to any bathroom with their classic design and high-quality finish. The dispensers are easy to refill and non-drip, providing a clean solution for your housekeeping.
