SMART SYSTEM
SOLUTIONS

The patented system is a unique combination of contemporary design, practical application and easy handling. With the Smart Care System, you can benefit from the latest generation of dispenser system! Customers like the famous 5* Hotel Raphael in Rome love the patented system with its slim, modern product design. But they are also impressed by the smart dispenser solution's numerous ecological benefits and cost transparency.

Discover the functional Smart Care System: as a single or double system and with brands which will meet your design and sustainability requirements without losing sight of cost effectiveness.

ILLY 1, sustainable scandinavian design: scandinavian design rests on the principle of prioritising functionality without neglecting aesthetics. The ILLI 1 dispenser is a prime example. Its ergonomic shape brings modern design to your bathroom while providing ease of use requiring just one hand. ILLI 1 bears the EU Ecolabel and is sustainable both in terms of its content and its packaging.

ILLY 2, ergonomic shape - economic solution: ILLI 2 stands out by combining sustainability, functionality and a perfect shape. Certified with the EU Ecolabel, the beautifully shaped 525 ml bottle design reduces packaging material and conserves resources. Available in timeless anthracite and white, ILLI 2 can be used for weeks then replaced in no time creating lovely touches on the wall and reducing housekeeping time.
