PLAID  
COLLECTION

A plaid is a precious and necessary accessory to face a stylish weekend in a quiet place with an extraordinary cosiness. The wrapping smoothness can be used at different moments in the day and in different places by young and old alike since there is a plaid for everyone. People can wear one across their shoulders on a cool summer evening watching the sun go down, or drape it over their knees by the fire on a winter's night. For sure PRIMA•plaids will make your place look great when it is spread across the bed or over the sofa.
